NOTES:

While every effort is made to ensure the accuracy of these listings, please know they are meant for guideline purposes only and are not meant to replace the necessity of having a comprehensives transcript evaluation.

1. The minimum grade required in each applicable course is 60 per cent or equivalent.
2. A minimum overall average of 65 per cent is required for the applicable passed courses that cover modules 5-10.
3. Students must have completed the core topics (5-10) within the past 10 years
4. Courses other than those listed here may qualify for exemption. Please contact CPA Atlantic School of Business for further details.
5. Course exemptions for prior years may vary from this schedule. Please contact the CPA Atlantic School of Business for further details.
6. If you lack some or all of the prerequisite topics for admission to the CPA PEP, you can gain coverage through the university courses listed here or the CPA Prerequisite Education Program (CPA PREP). For more information on CPA PREP, please visit us online at cpaatlantic.ca
7. Thème choisit en gestion (Éléments complémentaires en finance)
8. Students may also take ACCT 3341, 3342, 4443 and 4444 for Mod. 5. ACCT 4444 is not required if ACCT 4443 is completed after June 2015.
9. Students may also take ACCT 3333, 3334 and 4470 for Mod. 9.
